

Our core strength comes from the diverse background and experience of our staff. Truly solution orientated we are able to provide a number of cost effective internationally compliant applications to meet even the most challenging requirements of our clients. We aspire to become one of the leading regional Oilfield suppliers providing effective solutions to its valued customers. We are a leading stockist for some of the best-known brands in the world of Oil and Gas and safety equipment.

The organization is ISO 9001 quality management system certified, and uses state of the art CRM tools to optimize its value chain. The company's objective is to offer clients international expertise for local products, and ensure reliable excellence in infrastructure and projects.

We own warehousing facilities in Jebel Ali Free Zone, Dubai, Abu Dhabi, Dubai Investment Park, Ras Al Khor and a Multi-Million Dollar inventory of equipment related to oil and gas to meet the 'Just In Time' requirements of our various customers in the Middle East, Africa, Central Asia, Asian Sub-Continent and so on.

STOCK AND SUPPLY

- Pipes And Tubes
- Flanges ANSI/ASME
- Valves
- LV/HV Marine Cabling
- Transformers / Switchgear
- Life Safety Equipment / testing
- Fittings

VALVES

Gate Valve	Globe Valve	Butterfly Valve	Ball Valves	Check valve	Plug Valve
ANSI Gate Valve	Angle Pattern Globe Valve	ANSI Butterfly Valve	Trunnion Ball Valve	ANSI Check Valve	ANSI Plug Valve
API Gate Valve	ANSI Globe Valve	Butt Welded Butterfly valve	Carbon steel Ball Valve	API Check Valve	API Plug Valve
API-DIN-BS Cast Iron Gate Valve	API Globe Valve	Cast steel Butterfly Valve	Cast Steel Ball Valve	Brass Check Valve	Eccentric Plug Valve
Bellows Gate Valve	Bellow Globe Valve	Eccentric Butterfly Valve	Eccentric Butterfly Valve	Cast Steel Check Valve	
Butt Welded Gate Valve	Carbon Steel(WCB) Globe Valve	Electric Butterfly Valve	Female Ball Valve		
		Flanged Butterfly Valve	Flanged Ball Valve		

FITTINGS

- SS Fittings for High Temperature
- Alloy Steel Fittings For Moderated & Elevated Temperature Service
- CS Fittings for Moderate & Elevated Temperature Service
- CS fittings for Low Temperature

LIFE SAFETY EQUIPMENT / TESTING

- Head Protection Safety Helmets
- Face Protection
- Eye Protection
- Hearing Protection
- Respiratory Protection
- Breathing Apparatus & Escape Set
- Hand Protection Gloves
- Safety Shoes & Boots

INSTRUMENTAL MEASUREMENT READINGS

Able to supply a wide range of specialized measurement instrumentation to the Oil and Gas industry.

Our products include radar level gauges, float level switches, integrated metering systems and several types of flow meter.

Gas Flow Meters

Steam Flow Meters

Sight Flow Indicator

Flow Switch

Precision Measuring Instruments

Instrumental Items: SFRF, SWFF,WNRF,WNFF, WNRTJ, LWNRF, BLRF, BLFF
